

Re-Introduction

Now that our first day of 100 degrees is upon us, we thought it would be a good time for some light reading.

Our team is made up of Emily B. Kile, Attorney, Daniel Klein, Attorney, Allison Ward, MSW (Client Services Coordinator), Anita Ward, (Legal Assistant) and Jennifer Blum, (Office Manager).

Emily has been in practice since 1993. She began her legal career in Chicago at a large law firm and has been practicing in Arizona for the past 12 years. Emily is now accredited by the VA to provide counseling on VA benefits.

Dan joined our firm in April of this year. He has been an attorney since 2003 and is licensed in both Arizona and California.

Allison has her Master's degree in Social Work from Arizona State University. Allison assists in all phases of long term care planning. She works on the ALTCS and VA applications, interfaces with both the ALTCS and VA staff to ensure that applications are processed appropriately.

Anita is a legal assistant. She assists in probate, guardianship, conservatorship and estate settlement matters and has been in the legal field for more than 30 years.

Jennifer is our office manager. She schedules appointments, takes care of billing, and manages the day to day operations of the firm. However, her most valued responsibility is to ensure you have correct directions to our office and feel welcomed upon your arrival.

Through our team we are able to provide a variety of services, all aimed at assisting you and your family through life's stages. We provide services in the areas of: estate planning (wills, trusts, powers of attorney, living wills, and advance directives), special needs trusts (for

disabled children), estate settlement, probate, guardianship, conservatorship, and elder law which includes ALTCS (Medicaid) and VA benefits counseling and planning. With the addition of Dan to our team, we are now offering services related to corporate formation and asset protection planning.

We know that many of you are facing some very distressing financial situations. If you or a loved one may need long term care assistance and that person does not have long term care insurance or the means to pay for long term care (i.e. help at home, in an assisted living setting or in a nursing home), please do not wait until the emergency arises to call us.

We are happy to help you and your family when the crisis arises, but you will probably have enough other tasks to complete and signing complex legal documents should not be on the list.

We have had the privilege to serve you for almost five years. Thank you for the opportunity to serve you and we look forward to continuing to work together.

If you would like more information, please call us at 480-348-1590.
